

# **Fade To Black**

Metallica

## **Strophe 1**

Life, it seems, will fade away  
Drifting further, every day  
Getting lost within myself  
Nothing matters, no one else  
I have lost the will to live  
Simply nothing more to give  
There is nothing more for me  
Need the end to set me free

## **Strophe 2**

Things not what they used to be  
Missing one inside of me  
Deathly loss, this can't be real  
I cannot stand this hell I feel  
Emptiness is filling me  
To the point of agony  
Growing darkness, taking dawn  
I was me, but now he's gone

## **Bridge**

No one but me  
Can save myself  
But it's too late  
Now I can't think

## **Strophe 3**

Think why I should even try  
Yesterday seems as though  
It never existed  
Death greets me warm  
Now I will just say goodbye  
Bye...
